**COMMITTEE CHARGE** ([Faculty Manual Section C19.3](#)):

**C19 Faculty Senate Awards<sup>1</sup>**

<sup>2</sup>Exceptional teaching, scholarship and service have long been recognized as the three primary foundations of an outstanding university. The Senate has established three special annual awards explained in greater detail below, to recognize and foster excellence. Given the large number of worthy individuals within our university community, only in very rare cases should anyone receive more than one award. In those exceptional instances, it is expected that there be an interval of at least five years between awards.<sup>3</sup> Each of the awards has its own criteria, but a common requirement is good character. The awards are

presented at a ceremony in the spring semester, followed by a reception.<sup>4</sup>

### C19.3 Outstanding Teaching Award<sup>5</sup>

The Faculty Senate established the Outstanding Teaching Award to recognize a distinguished record of teaching by individual faculty members at the University of Miami. It is expected that individuals considered for this recognition have demonstrated teaching excellence for at least a decade at the University of Miami. In special situations, two individuals may be given awards – one to recognize exceptional graduate teaching (including clinical, mentorship) and one in recognition of outstanding undergraduate teaching.<sup>6</sup>

Members of the full-time faculty will be invited each fall to nominate any member of the full-time faculty for this award. Other members of the University Community may recommend a candidate for this award through a member of the full-time faculty. A committee consisting of the last three awardees, together with four Senate members nominated and elected at the first Senate meeting held in August each year, from schools not represented by the last four award winners, shall review the nominations. No Senate member can serve on more than one award Nominating Committee at a time.<sup>7</sup> The Provost and Faculty Senate Chair shall serve as *ex-officio* non-voting members, of the committee. If for any reason, a previous awardee cannot complete his or her term as a member of the Nominating Committee, the Senate Chair may appoint a previous awardee as a replacement. The Committee will report and make a recommendation\* to the Senate for selection.

For each nomination received, the Committee will require a) a brief letter of nomination from the nominator regarding the candidate's qualifications for the award; b) a current academic curriculum vitae in standard professional format; c) a completed "[Faculty Senate Outstanding Teaching Award Nomination Form](#)."

The Committee will review the nominations and select a set of finalists. Each finalist's nominator will be asked to submit student evaluations of courses taught within at least the past five years and four letters from colleagues or alumni describing the contributions that make the nominee worthy of this teaching award. The Committee may ask the nominators for additional information, including examples of the nominee's teaching materials, if necessary. Nominators may work with members of the University Community to assemble materials such as student evaluations and letters from other members of the University Community including alumni. If possible, nominees should not be told they are finalists. The awardee should have a substantial record of teaching students of the University of Miami and will ordinarily be a member of the Regular Faculty.<sup>8</sup>

At the awards ceremony, the recipient will be invited to make brief remarks.

\*The names of the nominees should not be revealed, but the following information should be included in the report to the General Welfare Committee and the Senate: the number of total nominations considered<sup>9</sup>; the affiliation (Department, School, or discipline, as appropriate) of the nominees to whom serious consideration was given; the name of the recommended recipient; and a short summary of the individual's credentials.
