Senate Legislation 85005 (B)
Elimination of "X" Grade

The Faculty Senate hereby approves the following deletion:

X - Symbol indicating that, for reasons unknown to the instructor, the student did not take the final examination. The symbol "X" is equivalent to a grade of "E" when computing a student's average until it has been replaced by another grade.

[Delete this text from page 46 under the heading "The Grading System".]

The Faculty Senate hereby approves the following addition:

NG - Symbol assigned by the Registrar indicating that the instructor has not reported the student's grade. For a student to receive credit for the course, the instructor must report a passing grade prior to the student's graduation.

[Replace current language on page 46 under the heading "The Grading System".]

The Faculty Senate hereby approves the following addition and deletion.

DELETE:

X 0.0
Courses marked with an "X" count as credits attempted until the situation is clarified at the initiative of the student at which time the appropriate mark is recorded.

ADD:

IE 0.0
Courses marked with an "IE" count as credits attempted but are not counted in credits earned and do not carry quality points.

[This addition and deletion is to be made on page 46 under the heading "Quality Point Average".]

[Editorial change suggested on page 46: Move final paragraph beginning "...Military service credit...", in its entirety, to above the section subhead REPEAT RULE as the final paragraph in the section subheaded QUALITY POINT AVERAGE.]
