Dear Mr. Fraser:

You can imagine the sadness felt throughout the University of Miami family at the news of your impending retirement, including all my colleagues in the Faculty. As the Chair of the Faculty Senate, I write to thank you for your sterling and exceptional services to the University, which I have followed personally during the 25 years since I came here.

The Faculty Senate will be honored if you could join us at the beginning of the Faculty Senate meeting on Monday, March 30 at 3:30 p.m. in the Faculty Club, when we would like to pay a tribute to you. It happens that this is the occasion that we were already using, before the news of your own announcement to honor the Miami Hurricanes, together with Athletics Director David Maggard and Coach Dennis Erickson.

We do hope that you will be able to attend that day.

With kind regards,

Yours sincerely,
