

MEMORANDUM

TO: President Edward T. Foote II

FROM: Dr. William J. Whelan *WJW/wh*
Chair, Faculty Senate

DATE: May 4, 1993

SUBJECT: Faculty Senate Legislation #92018(D) -
Resolution on Salary Raise Pool

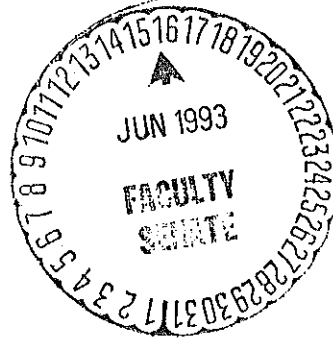

The Faculty Senate, at its meeting on February 22, 1993, voted to approve Faculty Senate Legislation #92021(D) - Resolution on Salary Raise Pool. The text of the legislation follows:

"In unusual circumstances, a self-funding school may propose a salary raise pool different from the general salary raise pool assigned by the Board of Trustees. Such special recommendation should be discussed with the Faculty Senate Budget Committee and requires the approval of the President and the Board of Trustees."

This legislation requires no action on your part.

SUBJECT: Faculty Senate Legislation #92018(D)
Resolution on Salary Raise Pool

I respectfully decline to approve this proposal.

It seems redundant, as we already consult with the Senate Budget Committee during the budgeting process, and all elements of the budget require my approval and that of the Board of Trustees.

Dear Steve and Larry:

Senate Resolution on Salary Raise Pool

Attached is the President's response to Legislation #92018 (D). As D legislation I do not believe the President's approval is required. This was sent to him for information.

His remarks about consultation with the Senate Budget Committee could, however, be the basis for a response from us. Do either of you recall how many times in FY93 the Senate Budget Committee met with the Provost? As for the University Budget Committee, my recollection is zero.

Please respond.

Thanks.

Your sincerely,

William J. Whelan^{ca}
