**PROPOSAL FOR THE ESTABLISHMENT OF
EDUCATOR FACULTY IN THE DEPARTMENT OF CIVIL,
ARCHITECTURAL AND ENVIRONMENTAL ENGINEERING
COLLEGE OF ENGINEERING**

At the request of the Civil, Architectural and Environmental Engineering (CAE) Department, the College of Engineering has adopted the following policy, subject to the approval of the Faculty Senate:

The CAE Department shall have the following titles for Educator Faculty:

Assistant Professor in Practice of Architectural (or Civil or Environmental) Engineering
Associate Professor in Practice of Architectural (or Civil or Environmental) Engineering
Professor in Practice of Architectural (or Civil or Environmental) Engineering

The CAE faculty has approved the following descriptions and limit on these positions:

Policy on the Hiring and Retention of Educator Faculty in the CAE Department:

- A) *The titles of the positions shall be: Assistant Professor in Practice of Architectural (or Civil or Environmental) Engineering, Associate Professor in Practice of Architectural (or Civil or Environmental) Engineering, and Professor in Practice of Architectural (or Civil or Environmental) Engineering. These titles are granted to full-time faculty whose primary teaching responsibility is in the CAE Department and who concentrate on the use of practical experience as a teaching tool. Faculty with these titles shall not hold tenured or tenure-earning appointments.*
- B) *Faculty in Practice will be reviewed annually for accomplishments in teaching, scholarly and creative activities and service according to the customary practices in the College of Engineering with emphasis on excellence in teaching and professional practice.*
- C) *The voting rights of Faculty in Practice shall be as described in the Faculty Manual.*
- D) *The number of Faculty in Practice of the CAE Department shall not exceed one-fourth (1/4) of the number of the CAE University Faculty.*
