C2.9

The GRADUATE FACULTY of the University of Miami is composed of faculty members who have achieved the highest professional degree in their discipline or equivalent professional standing, have been appointed to the rank of assistant professor or above, have an avowed interest in graduate instruction, and are productive scholars. Members of the Graduate Faculty are appointed following nomination and appropriate review as provided in the Bylaws of the Graduate School. Faculty members have the right to forward their credentials to the Graduate Council for action.

Proposed Revision

The GRADUATE FACULTY shall consist of the REGULAR FACULTY of the University. Faculty in other categories may become members of the Graduate Faculty upon approval by the Graduate Faculty in a doctoral degree program. Once approved as a member of the Graduate Faculty, a faculty member retains that status while a member of the faculty.

Note: *Faculty Manual* A2.1(c): The REGULAR FACULTY shall consist of all faculty having tenured or tenure-earning appointments who hold the rank of Professor, Associate Professor, or Assistant Professor.
