Dear Shelly,

I consulted with the Department of Theatre Arts regarding your request for a name change of your "Master of Arts in Arts Presenting" degree program. The Department of Theatre Arts may consider, some time in the future, to offer a MFA degree in Theatre Management. Both, the department and I agree that this is not in conflict with the proposed change in the title of your program "Master of Arts in Arts Presenting and Live Entertainment Management" as we anticipate that these two degrees will not overlap. Please consider this note as a "no objection" to your proposed title change.

**RE:** Proposed Change to Name of Degree

**DATE:** November 6, 2012

This memo verifies that the Graduate Committee of the Frost School of Music met today to review a proposed name change for a degree program.
