MEMORANDUM

To: Julio Frenk
University President

From: Linda L. Neider
Chair, Faculty Senate

Date: September 4, 2019

Subject: Faculty Senate Legislation #2019-15(B) – Re-approval of the Dunspauch-Dalton Community and Educational Well-being Research Center at the University of Miami School of Education and Human Development, and Re-review in Two Years.

[Originally established through Legislation #2008-14; Name Change – Legislation #2009-10; Past Review 2013-2014]

The Faculty Senate, at its August 28, 2019 meeting, had no objections to the recommendation to re-approve and subsequently re-review the Dunspauch-Dalton Community and Educational Well-being Research Center at the University of Miami School of Education and Human Development in two years to report on the success of the specific goals/plans of re-imagining itself in the future and providing more impact to the UM community and the SEHD, creating stronger and broader faculty relationships, and having a more demonstrable value/impact to their research success. This includes grant supported staff in the future and a coalescing of community-engaged research partnerships with specific foci.

This legislation is now forwarded to you for your action.
