FACULTY SENATE AWARDS1 (Faculty Manual Section C19):
Exceptional teaching, scholarship and service have long been recognized as the three primary foundations of an outstanding university. The Senate has established three special annual awards explained in greater detail below, to recognize and foster excellence. Each of the awards has its own criteria, but a common requirement is good character. The awards are presented at a ceremony in the spring semester, followed by a reception. 3

COMMITTEE CHARGE (Faculty Manual Section C19.2):
On the occasion of the twenty-fifth anniversary of the Faculty Charter, the Faculty Senate established an annual award to recognize outstanding contributions to scholarship by individual faculty members at the University of Miami. The award is given to acknowledge either a single outstanding scholarly achievement or a lifetime of distinguished accomplishment in any

area of research or creative activity.

Members of the faculty will be invited annually to nominate colleagues for the award. The nominations will be reviewed by a special Nominating Committee consisting of the last five awardees and the Provost and Faculty Senate Chair serving as ex-officio non-voting members. If for any reason, a previous awardee cannot complete their term as a member of the special Nominating Committee, the Senate Chair may appoint a previous awardee as a replacement. The Committee will report and make a recommendation* to the Senate for selection.

For each nomination received the Committee will require a) the curriculum vitae of the faculty member; b) a short statement describing the contribution that occasions the nomination; and c) the names and addresses of four persons of eminence in the field who can comment on the achievements of the nominee.

At the awards ceremony, the awardee will present a report on their research.
