I. APPROVAL PROCESS

A. Prior to entering the Senate Approval Process

1. Additional step for undergraduate curricula changes. Any proposals regarding new undergraduate programs or substantive changes to existing undergraduate curricula must be reviewed by the University Curriculum Committee after the proposal has been submitted to the OAA and prior to the proposal’s submission to the General Welfare Committee.

B. Senate Approval Process

1. Submission of a proposal to the General Welfare Committee. The proposal must be submitted through the University’s Curriculum Information Management System (CIM) at least 9 days in advance of the relevant General Welfare Committee (GWC) meeting. Visit https://fs.miami.edu for a list of meeting dates and proposal deadlines. The proponent should be prepared to answer questions and give a brief summary of the proposal at the GWC meeting.

2. Upon the recommendation of the General Welfare Committee, the proposal will be placed on the Faculty Senate agenda. A proponent should be present at the Faculty Senate meeting to answer questions and to present a brief summary of the proposal if requested. Visit https://fs.miami.edu for a list of meeting dates. The Senate may require two readings, but often waives the second reading.
